

World-Class Quality in All We Do

Quality Policy

Quality is a core value of Cooper Standard. We are dedicated to establishing key quality objectives that are communicated and understood at all levels of the organization.

We are committed to:

- Achieving quality results for products, processes, designs and services which exceed both external and internal customer expectations;
- Growing our culture of continuous education and training;
- Building a roster of strategic supply partners that share our quality expectations;
- Ensuring a culture of defect prevention – stopping defects from escaping to the next phase;
- Complying with statutory and regulatory requirements; and
- Leveraging innovation, continuous improvement, and quality management systems to assist in achieving our quality goals.
